Redistricting Petition Is Dismissed By County

A petition to redistrict the county was dismissed by the Board of Supervisors at the regular meeting held Monday.

Acting upon a motion presented by Frank Kiefer, and aided by all the members of the Board excepting the exception of Manny Hubbs, the Board voted that no further action be taken on the petition and the Board will not legally accept their rights to call for the election desired by signers of the petition.

Hubbs voiced his negative vote on the opinion that the registration books have not sufficiently purged and that a new purge of the books would show that a number of homes would be made, ready to be stricken from the lists.

Dr. Russell representing the election commission, was present. He indicated the meeting that next week a new purge of the books would be made, ready to be stricken from the lists.

Ernest Giv, city attorney, gave notice of a motion to dismiss the petition to redistrict the county. He stated that the petitioners may care to consider that the county is a single entity and that the county is a single entity and that the county is a single entity.

Hotel Reed Named As Possible Hospital Site

KC's Again To Distribute Xmas Baskets

The Knights of Columbus of the Pere LeDuc Council will spread Christmas cheer with the distribution of baskets filled with food for needy families throughout the county.

The Knights gave their Christmas Eve annually for this deed. During the year the money raised by the Charity benefits at the KC Hall is earmarked for the purpose of purchasing food for this project.

Along with the baskets, the Knights will call Santa Claus to help them distribute toys to underprivileged children of the county. Santa takes time out on his busy Christmas Eve to answer this summons, and calls at the homes of each child whom the Knights name for him. Many little hearts are gladdened and eyes brightened through this kindness on the part of the gallant Knights. Hearts and eyes of little children who otherwise would not know what a shining new toy symbolizes on Christmas day.

Final Decision To Be Left To Voters, Say Supervisors

Hotel Reed loomed as a new possibility in the hospital picture at a meeting held Monday by a delegation interested in a locally owned and operated hospital, members of the county Board of Supervisors, and members of the American Legion Hospital Committee.

The architect firm of Shourds and Mogabgab have been employed by the county to give estimates on the cost of renovating the hotel into a suitable building for a hospital, and also on the cost of constructing a 22-bed hospital.

The Legion hospital committee is primarily interested in promoting a Hill Burton Government Hospital. Under this plan the government would provide approximately 75 per cent of the construction cost on an approximate \$400,000 building. The county would enter into a contract with the government on maintenance according to government specifications. Operational expenditures under this plan would approximate between \$90,000 and \$100,000.

Mrs. Vassalli expressed regret at actively retiring from this business which has served the community for better than a quarter of a century. She also wished to express her deep appreciation for the patronage given her establishment during the years by the people here.

The postal staff in the Waveland Post Office will be deeply grateful if you will send them a Christmas card or a letter. The staff is anxious to hear from you and to wish you a very happy Christmas.

The attraction of Mr. and Mrs. M. Ruppel was the scene on Sunday evening for a party for the members of the Sunday School class of the Baptist Church.

Master Miller Bozeman, young son of Mr. and Mrs. Travis Bozeman, is having to be quiet for a short time, due to a leg injury he received in a fall. Miller's leg is in a cast, but it is hoped that with rest, he will be as good as new by Christmas.

Mr. and Mrs. Sam Celino of New Orleans were guests of Mr. and Mrs. Ed Gipson on Sunday.

Mr. Richard Noonan is home again with his wife and children after being hospitalized in New Orleans for several weeks. He is reported to be convalescing. His many friends wish him a speedy recovery.

Later Miss Weaver, and Mr. Alton Barber, 4H Club Representative, presented a film to the boys' and girls' group which showed what the boys and girls are accomplishing in 4H Club work in other places.

Christmas has come a little early for two happy youngsters in Waveland. Both Lynne Hall, daughter of Mr. and Mrs. Norman Hall, and Hamilton Gueard, son of Mr. and Mrs. Hamilton Gueard Jr. are proud possessors of their most cherished gifts — pet riding horses.

Lynne's horse is a roan mare called "Baby," and Hamilton's is a beautiful golden palomino. At the moment, there are no two happier youngsters in Waveland.

'Passion' at A & G

Thurs, Fri, Dec. 9 - 10

"Passion," a story which stems from actual incidents, now legendary, although the characters and events pictured on the screen are fictional, is the next attraction at the A & G Theatre starting Thurs, Fri, Dec. 9 - 10.

Cornel Wilde and Yvonne De Carlo have the starring roles, and the setting is California during the Spanish land grant era in the early 1800's when terrorists forced the settlers to defend their haciendas, their ranchos and their families with bulldozers and gun.

"Passion" builds its drama around the tragic and romantic consequences of a ruthless raid by a roving band of killers, when an aroused young rancher takes the law in his own hands and sets out to gain justice. Before he can accomplish his purpose, the action swirls through many natural scenic splendors of California, from the border country to the snow-draped areas near picturesque Sonora, where the story attains its climactic crescendo and suspenseful denouement.

Mrs. Argus is a most welcome addition to the faculty and it is hoped that she enjoys her stay with the fifth grade.

During last week, Brother Lanus, principal of St. Stanislaus, represented the school at the annual convention of the Southern Association of Colleges and Secondary Schools, the Southern Association of Independent Schools and the Southern Regional Unit of the National Catholic Education Association. The central theme of the convention was "The South Faces Its Future Through Educational Planning."

At the meeting of the Southern Association of Independent Schools, Brother Lanus was named to the Advisory Board.

Notre Dame Tops Long Beach In Shrimp Bowl

An inspired Notre Dame team stormed 62 yards to a touchdown with 41 seconds playing time remaining Friday night to turn back the Long Beach Bearcats 19-13 in the 15th annual Shrimp Bowl football classic at the Biloxi Athletic Field.

Some 1420 screaming fans saw Notre Dame's George Sekul pound over from the two, providing the finish of one of the most exciting battles in the history of the post-season event.

Two line plunges, starting from the four, had failed to net the tally. But Sekul, under the back of center J. T. Taranto across the first Shrimp Bowl triumph after two previous fruitless efforts.

Notre Dame began the manufacture of its first six-point lead in the closing minutes of the first quarter when Sekul recovered a fumble.

Choo Choo Johnson's fumble on the Bearcat seven yard line.

Two plays later, fullback Billy Leary bailed his way over from the five. Henry Endt's kick was wide of the uprights.

The alert Rebels pruned on three of the opposition's fumbles in that same stanza, stalling any offensive move Long Beach had in mind. But early in the next half the Bearcats took over the lead.

Johnson's sparkling 30-yard punt returned set the downfield thrust in motion on the Feb. 35. Quarterback Fred Bryant passed to Spencer to gain to the one; then pushed his way over for the score. Halfback Rodney Robertson scampered across the double-stripe for the lead-taking extra point.

Sekul, playing in his last high school skirmish along with 10 other Rebel Seniors, climaxed a 40-yard Notre Dame surge, going over from the two on the final play of the third quarter. Endt booted the placement to hike the Rebs margin to 13-7.

Long Beach took the ensuing kickoff and streaked 70 yards to knot the game. A 15-yard penalty against Notre Dame for pushing an intended receiver gave the drive life. Bryant's aerial to Spencer, who was running laterally with the goal line from eight yards out, provided the score. Endt and Leary smeared Bryant on his try for the extra point.

But Notre Dame duplicated the feat on the next kickoff, scoring in 15 plays. Sekul's passes to Henry Lawrence and John Mavaz and the slashing runs of Kenneth Marie accounted for most of the yardage.

With only 41 seconds remaining and the score tied at 13-13 Sekul went over from the two on a quarterback sneak to give Notre Dame their 19-13 victory, and their first Shrimp Bowl triumph.

ST. STANISLAUS ROCKACHAWS COP DAIRY BOWL CROWN

Sparked by the smooth quarter-backing of Duke Fakier, the St. Stanislaus Rockachaws downed the Brooklyn Aggies 26-13 Thursday night at Poplarville. A. L. May Stadium is the 11th annual Dairy Bowl classic.

Fakier, who led the Rockachaws with 18 seconds remaining, Fakier sent over to score on a quarterback sneak. Santa Cruz's extra point kick sent wide to the left, and the Rockachaws led 13-0.

Santa Cruz's kickoff bounced into the end zone and the ball was brought out to the 20. On Brooklyn's first play Fakier intercepted Jussely's pass, intended for Francis, on the 47 yard line and drove to the 34. A 15 yard penalty sent the ball back to the 49 and another 5 yarder against the Rocks placed the ball on SSC's 46. Fakier bailed his way to the 11 where he met a hard Brooklyn line and fumbled, with Mike Morris picking the ball up on the 40, but being quickly stopped in the 45 as the first half ended.

Trading by 13 points, Brooklyn led the second half with Suggs kicking to the 20. Willy Rhodes jumped back to the 43. Santa Cruz quickly entered Aggie territory by way of a ten yarder to the 47. Fakier added another first down, breaking to the 30. From there St. Stanislaus failed to gain and lost the ball when Fakier's pitchout to Rhodes went wild and Brooklyn's Rex Willey recovered the ball on the 43.

The Aggies then began their first sustained drive to score. Francis carried the ball to the 48 of SSC, checking up a first down. After two plays failed to gain, Francis then broke around right end for a 15 yard gain, and wasn't stopped until Rockachaws right end Robert Pittenger forced him out of bounds at the 29. Jussely faked a pass and exploded up the middle, and wasn't halted until halfback Jimmy Grace pulled him down from behind on the 15 yard line. Morris, Jussely and Francis worked the ball to the 4 yard line, and on the fourth down Jussely tossed to Willie Clark, who made a leaping catch of the ball in the end zone. The point after touchdown was good, and St. Stanislaus' lead was trimmed to 13-7.

St. Stanislaus then began a drive to duplicate Brooklyn's actions. However, the Rocks needed only seven plays to complete a 55 yard march. Willy Rhodes took Suggs' kickoff on the 20 and was well on his way for a long jump when he lost his footing on the 45 yard line and was pulled down. Fakier drove to the 47, Rhodes picked up a first down by going to the 35. Gex added another by driving to the 22 and Santa Cruz placed the ball in scoring position by his 18 yard break to the 4. SSC's third straight first down. Fakier attempted a handoff and fumbled in the air, but recovered on his 5. Two plays later the quarterback plunged over for his third straight touchdown. Gex's attempt at running the extra point failed. The Rocks now held a 19-7 margin.

SSC Cage Season Opens Tomorrow

Tomorrow night the St. Stanislaus Rockachaws open their cage season when they take on the Biloxi Indians on the Biloxi court.

Coach Herb Adams, beginning his first year as basketball mentor at St. Stanislaus, told the EAGLE that the Rockachaws are in fine physical shape, due to many of the players switching over from football, and that their overall height will be pretty good. However, Coach Adams admitted that they are still lacking some good spot shooters.

St. Stanislaus began their cage training Monday and have been working out with the fundamentals of the game.

The varsity roster includes Louis Ladner, Willy Rhodes, James Schexnayder, Corky Wittmann, Paul Vetter, Tommy Shaffer, Kenny Witter, Harry Kershaw, Billy Gowland, Larry Mathis, David Erickson and Alfred Vasquez.

The Tigrettes were on the top end of the score through the entire game. Score at halftime was 39-18. Rosemary Millinery was high scorer with 35 points. Marjo Brelan followed with 7, while Glenda Reed and Annie Merle Holden tied for third place with 4 points each.

Opening the final quarter, halfback Karl Francis took Santa Cruz's kickoff on the 15 and returned the ball to the 17. Almost getting into a clear field, Fakier Schexnayder headed him off. The Rockachaws line began to tighten, and held the Aggies to little gain. Suggs went into punt formation on his own 44. He got off a weak punt that went almost straight up, going to 12 yards and out of bounds at St. Stanislaus 44.

Gex, Fakier and Adams after a 1 on 1 advancing the ball to Brooklyn's 41. From that point Willey made the night's first run when he broke around right end and going the distance of 41 yards to tally the Rocks' first score. A fake conversion from the 41 gained the extra point as Fakier's led to Schexnayder, who made a falling catch of the ball in the end zone. This completed the Rock scoring, while they led 2-7.

Alfred Vasquez proved his kicking ability was equal to that of Santa Cruz when he kicked one to the 7 yard line of Brooklyn. Francis returned the ball to the 19. Two passes and a 15 yard penalty against SSC moved the ball to the 46 of St. Stanislaus. Francis drove to the 40 and Willie Clark entered the quarterback position replacing Jussely. He then attempted a short pass to Morris, but deflected Alfonso Adams intercepted the pass and carried the ball to the middle of the field.

An offside penalty against the Rocks set the ball on their own 45. Willy Rhodes met a hard Brooklyn line and fumbled on the 46 and Walter Sugg recovered for the Aggies.

Quarterback Jussely returned to the game and hurried a pass to Morris on SSC's 22. Santa Cruz's Jimmy Grace almost made an interception.

Vasquez took the ensuing kickoff on the 16 and returned it to the 29. Erickson drove to the 46 and with 10 seconds remaining, Brooklyn drew their second penalty, a 5-yarder bringing the ball to the 49 of Brooklyn. With exactly one second to play, Vasquez carried to the 47 as the game ended with the scoreboard having a final reading of 26-13 in favor of the Rockachaws of St. Stanislaus.

Immediately preceding the game, Miss Gertrude Howell, a student at Lucedale High School, was crowned Dairy Classic Queen in a ceremony officiated at by District Attorney Bryce Holleman. Crowning the ruler was the 1953 queen, Miss Anne Taylor of Vancleave.

Miss Howell was selected by the judges over seven other contestants.

SSC Cage Season Opens Tomorrow

Tomorrow night the St. Stanislaus Rockachaws open their cage season when they take on the Biloxi Indians on the Biloxi court.

Coach Herb Adams, beginning his first year as basketball mentor at St. Stanislaus, told the EAGLE that the Rockachaws are in fine physical shape, due to many of the players switching over from football, and that their overall height will be pretty good. However, Coach Adams admitted that they are still lacking some good spot shooters.

St. Stanislaus began their cage training Monday and have been working out with the fundamentals of the game.

The varsity roster includes Louis Ladner, Willy Rhodes, James Schexnayder, Corky Wittmann, Paul Vetter, Tommy Shaffer, Kenny Witter, Harry Kershaw, Billy Gowland, Larry Mathis, David Erickson and Alfred Vasquez.

The Tigrettes were on the top end of the score through the entire game. Score at halftime was 39-18. Rosemary Millinery was high scorer with 35 points. Marjo Brelan followed with 7, while Glenda Reed and Annie Merle Holden tied for third place with 4 points each.

Fleas-Flies In Annual Classic Sunday

The 38th Annual Flea Fly Football Classic will be held Sunday afternoon at St. Stanislaus Stadium, with kickoff time slated at 2:30.

The classic is held each year for benefit of the Brother Peter Memorial Christmas Basket Fund.

Over seventy graders will participate in the benefit affair. Each group will be composed of three teams with the smaller of the Flees group being paired against the smaller of the Flies in the opening contest. Each team will play two ten minute quarters. In the third and fourth periods the next larger of the groups will meet and in the fifth and sixth frames the largest of the Flies will vie with the largest of the Flees. The total score of each of the six quarters will be added for the final score.

The lad on each team who sells the highest number of tickets will be team captain. The boy that has sold the highest amount of tickets out of all the players will have his choice of the game football or a St. Stanislaus jacket as his prize. The player that comes in second highest will be awarded the prize declined by the first lad.

A parade is scheduled to start from St. Stanislaus College at 1:30 and will continue to the stadium. All of the football players will march in full uniform and the St. Stanis-

laus band will lead the marching. Admission is fifty cents for adults and twenty-five cents for students. Tickets can be bought from any Flea or Fly player. Making up the teams are the following boys:

SPORTS VIEWS and REVIEWS

Quarterback Dickie Fakier showed all-around leadership in piloting St. Stanislaus to their 26-13 Dairy Bowl triumph over Brooklyn.

Fakier kept the Rockchaw attack almost completely on the ground and in doing that, Stanislaus had a 6-plus gain per carry. Fakier himself had an average gain of 6 yards. Sophomore halfback Willys Rhodes had six carries and averaged 12.5 yards per carry. His two kickoff returns, past the 40 yard line, never entered the statistics. But Walter Gex and Woody

TIGERS TAKE TWO FROM PANTHERS

Coasting to their second win in as many starts, the Bay High Tigers dropped the Lumberton Panthers 52-32, Friday night in the Bay High gymnasium. Charles Moran, Bay High center, capped the scoring honors with 12 points.

The Tigers rolled up a halftime score of 36 points while the Panthers could make only 15. Donald Cole, Charles Moran and Billy Breland added the bulk of the score with 28 points between them. Coach Caldwell started his second team in the third quarter and the teams seemed to be battling on even terms which battled the Lumberton team to the final whistle; the final score, Bay High 52, Lumberton, 32.

Both Tiger wins thus far have been in the DeSoto Conference. The Bay High team has a Conference mark of 2 wins and no losses and an overall mark of the same.

Bay High Tigerettes upset the Lumberton Panthers by a score of 42-36. It was a very exciting game with one side scoring and then the other. The Tigerettes were on top end of the score all night. At halftime the score was 31-21.

Rosemary Millinery was high scorer for the Bay High Cagers with 29 points. Glenda Reed followed with 10 points. Billie Dube of the Lumberton squad was high scorer for the night with 32 points.

Lumberton will have another crack at the Tigerettes Friday night and will have the advantage of playing on their home court.

pay their first visit to Bay St. Louis when they meet St. Stanislaus and St. Joseph Academy at the Rockchaw gymnasium.

December 16 they will visit Long Beach at the Pass High gymnasium, in their final game of December.

In January, excluding tournaments, they will meet St. Martins of E. d'Arville, and again St. Stanislaus and St. John's Academy.

Santa Cruz made needed gains to keep Rockchaw drives on the move. Although the Aggies gained repeatedly through the Stanislaus line the Rocks held when the crucial moments came.

All-in-all, it was the brilliant quarterbacking of Dickie Fakier that paved the way for victory. The right plays at the right times, as in the Notre Dame game, again gave St. Stanislaus a hard earned victory.

The classic was the 5th annual Dairy Bowl game. A Dairy Bowl game has been held every year at A. L. May Memorial Stadium since it was erected in 1949.

Eleven seniors played their last high school football game: Dickie Fakier, Woody Santa Cruz, Alvin Scalfidi, Charles Rick, Maurice Artigues, Douglas Talbot, Jim Schaeffer, Corky Wittmann, Robert Duke, Frank Hill and Louis Ladner.

As expected the Notre Dame Rebels came back to defeat the Long Beach Bearcats in the 15th annual Shamrock Bowl affair.

Although Long Beach had earlier set Notre Dame back 20-0, they have been on the downgrade while the Biloxi squad came from behind midway in the season to chalk up the Gulf Coast Conference tilt.

However, it took the never-say-die attitude of quarterback George Sekul to spark a late 62-yard drive and to score with 41 seconds of playing time left. The final score read 19-13 in the Rebels' favor.

The 11-game limit for Mississippi high schools was the major cause of the cancellation of Piquette's Tung Bowl game.

After dipping into Louisiana, the Tung Bowl committee found that most of Louisiana's teams, which are not bound by the 11-game rule, already had previous engagements, or, as in the case of most of the New Orleans teams, had packed away their equipment.

Turning back to Mississippi, the

committee was forced by game, ruling. Almost all squads asked had filled out their quota. Most, all of eight schools had completed 11 games or were in state of completion.

Mobile, Alabama schools had completed their season the week before. There were a couple of schools interested, but they did not have records. Tung Bowl promoters, after learning Bogaloussa, their hope of obtaining a match, had decided to cancel the event rather than to settle for a second or third rate affair.

But, promoters assured in their announcement, there will be a Tung Bowl contest next year.

In the "Hey, Sport!" column, written by Jim Craigan in the Piquette item we found a very interesting clip.

"For some time now, it has been my impression that Mississippi high school athletic association was a bit too stringent in its control over high school athletic codes.

The 11-game limit, for instance. But there are other factors that seem to be a bit more irritating to high school coaches. For example, the "geniuses" who make up the rules in general include only high school superintendents. Athletic leaders have no voice in such decisions, we are advised.

"If that's true, it ain't good. While we realize that things could go to the other extreme, if allowed to go unchecked, it seems there could be some happy medium reached. Our country is based on democratic principles . . . full and equal representation on all committees and groups where important issues are involved.

If coaches in Mississippi have nothing to say about laws governing athletics, then sometimes very impractical decisions are forthcoming."
